

PREPARATION REQUIREMENTS BREAST HOOKWIRE LOCALIZATION

ADMISSION REQUIREMENTS AND APPOINTMENT SCHEDULING

1. Medical order with information about the test to be performed.
2. Authorization from the insurance company.
3. Authorization for taking X-ray with surgical specimen (if done in CediMed).
4. Identification document and insurance card (if applicable).
5. If you take anticoagulants like warfarin, heparin, acetylsalicylic acid or homeopathic medicines, inform the personnel when scheduling the appointment. If suspension is required, request authorization from your physician.
6. If the patient is (think is) pregnant, inform immediately the nuclear medicine personnel.

EXAM DURATION:

Approximately 1 hour, 2 hours if bilateral.

ON EXAM DAY:

1. Wear a two-piece dress (trousers or skirt and blouse)
2. Do not apply powders, creams or deodorants on the breast and axillary region.
3. Bring a responsible, adult companion.
4. Bring related radiological studies for the examination to be performed (mammograms, resonances and previous breast ultrasound)
5. Keep the indicated fast for the surgery to be realized after the localization.
6. Arrive 20 minutes before the examination time.
7. Do not bring jewelry, money or valuables. CediMed is not responsible for any loss or theft of your belongings.
