

## PREPARATION REQUIREMENTS INTESTINAL TRANSIT WITH MARKERS

### ADMISSION REQUIREMENTS AND APPOINTMENT SCHEDULING

1. Medical order with information about the test to be performed.
2. Authorization from the insurance company.
3. Identification document and insurance card (if applicable).
4. If the patient is (think is) pregnant, immediately notify the radiology personnel.
5. During the last eight (8) days you should NOT have had any studies performed using barium as a contrast medium.
6. Request in CediMed the 8 capsules with markers before starting with the radiographs.
7. No laxatives ingested for the three previous days.

### EXAM DURATION:

The test is performed during three different days (every other day), lasting 20 minutes each day (taking the X-rays).

### ONE DAY BEFORE THE EXAM:

Ingest in one take the 8 capsules with markers with plenty of fluids (non-diary).

### ON EXAM DAY:

1. 24 hours after the ingestion of the capsules, go for the first take of X-rays. Then go every other day for the following takes.
2. Do not take laxatives, alcohol or foods that improve intestinal transit (oats, fruits, seeds, oils) during the days of the study.
3. Do not bring jewelry, money or valuables. CediMed is not responsible for any loss or theft of your belongings.
